## PRESS RELEASE

The Cold Spring Boat Club is happy to announce that they have secured a long term lease with the Village of Cold Spring, and that it will continue to invite boaters to tie up at the club to enjoy all that Cold Spring has to offer.

Beginning this year, the club must begin charging for guest dockage in order to help defray the costs of the new lease, and major repairs to the docks and bulkhead. Unfortunately, without charging for guest dockage, the club would cease to exist.

Any boat up to 30' is welcome, at a flat fee of \$20 for two hours. Overnight dockage is at \$2 per foot. Payment is via the **ParkMobile** app at <https://parkmobile.io/> and use Parking Zone number **9472**

Josh Hadden  
Secretary  
Cold Spring Boat Club
